

WH Internet v3 Visual Guide

WH Internet v3 Schematic

1. Logo

Already final. Blue/grey circle with company name and slogan. Hi-res images available for print.

2. Quick Links

Customer Login/Contact Us/Sitemap? Search box? Webmail?

3. Navigation (main)

Home/ Services (Design/Hosting/Domains/Promo/Branding) About/ Testimonials/ News/ Portfolio/ Contact.

4. Hi-res Image

Preferably blue/grey to match logo. Maybe sky with room for some promo copy.

5. Main Copy

SEO friendly/keyword rich. To the point.

6. Portfolio Banner

Mostly an image (of a site (with shadow?)) but with some copy and link to portfolio page.

7. 3 Groups of Services

Use JS to expand and retract each line. Copy for each of about 4/5 lines with link to relevant page. Domain section to have a checker?

8. News

Widget with latest story and date with link to view all.

9. Testimonials

One testimonial surrounded by speech marks (italics) with link to read more testimonials.

10. Social Networking

Facebook/ Twitter/ Digg/ StumbleUpon etc.

11. Footer Links

Same as point 3 but add in Privacy Policy/ Terms/ Copyright and Author footnotes.
